Dear Victoria Polidoro:

Thank you for requesting the comments of the New York State Historic Preservation Office (SHPO). We have reviewed the provided documents in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division of Historic Preservation and relate only to Historic/Cultural resources. They do not include other environmental impacts to New York State Parkland that may be involved in or near your project.

OPRHP has reviewed the Phase I Archaeological Survey Report prepared by HCS for this project (March 2023; 24SR00008). No archaeological sites were identified by the survey. The Archaeological Unit therefore has no further archaeological concerns for this project. Please continue to consult with Ms. Sloane Bullough of the Technical Services Unit concerning their request for additional information.

If you have any questions, I can be reached at Josalyn.Ferguson@parks.ny.gov.

Sincerely,

Josalyn Ferguson, Ph.D.
Scientist – Archaeology
